Senior Cycle Design and Communication Graphics	Development Group Meeting 4 29 January 2025 Short Description
Agenda Item	**Notes**
Welcome by the Chair, minutes of the last meetings	The minutes of the last meeting were discussed and adopted.
Updates	The online consultation is ongoing, and members were asked to encourage teachers and other stakeholders to share their views on the Background Paper for DCG.
Further development of the Rationale and Aims	Further refinements were suggested to enhance the draft rationale and Aims for the subject.
Feedback from the online consultation	A synopsis of the feedback to date from the online consultation was presented to the group to inform their work.
Key Competencies in Senior Cycle	The development group explored how the senior cycle key competencies can be developed through the study of DCG.
Development of strands of study/areas of learning	The development group discussed potential stands of study and areas of learning for the redeveloped subject. The strands of study and the areas of learning will develop further in upcoming meetings.
Next steps and next meeting	The chair reflected on the work done and thanked the members for their attendance and contributions. **Next Meeting:** 27 February 2025
