

	Development Group Meeting 11 Thursday 6th February 2025 Short Description
Agenda Item	Notes
Welcome by the Chair, minutes of the last meetings	The minutes of the last meeting were discussed and adopted.
Updates	The group was given an outline of the consultation process that will commence shortly regarding the draft specification.
Review and differentiation in learning outcomes	<p>Feedback was gathered and carefully considered to guide the ongoing refinement and improvement of the learning outcomes.</p> <p>Group members discussed differentiation between Ordinary and Higher levels but agreed not to differentiate specific learning outcomes at this stage. Instead, they agreed to await feedback from the public consultation before revisiting the matter.</p>
Subject Name	<p>The group explored various name options for the redeveloped subject, considering factors such as accurately reflecting learning in the specification, broadening its appeal, developing a stronger link with Wood Technology, and promoting STEM learning.</p> <p>‘Construction Technology’ was the preferred choice and will be put forward for consultation. The name will be reviewed again after receiving consultation feedback.</p>
Next steps and next meeting	<p>The chair reflected on the work accomplished and thanked the members for their attendance and contributions.</p> <p>Next meeting: 29th April 2025</p>
