Junior Cycle

Power tools

Our new [assessment and moderation toolkit](#) is up and running! Check out the [Guide to Assessment](#), which will be followed shortly by four other sections: [Assessment for Certification](#), [Moderation for Certification](#), [Reporting](#), and [Subjects and Short Courses](#).

Maths

Big ideas

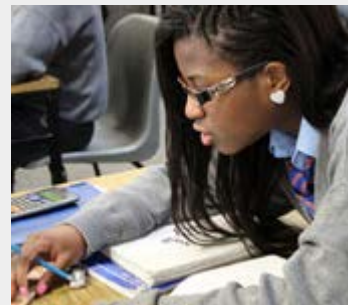

It's all about the big ideas in the [FAQ section](#) of our site. Functions, statistics, algebra or geometry, we've got the answers!

Curriculum structures

Primary priorities

Is it time to revise the [Primary curriculum](#)? Read about what's happening in 10 other countries. The structures and the stages.

Leaving Certificate

Politics and Society

Developing active citizens in a global world. You've read about the [new subject](#) in the papers, now study the syllabus in detail.

[Aistear](#)

The toolkit

Visit the [Aistear toolkit](#) and marvel at the variety of helpful contents, regularly updated.

[Junior cycle](#)

Subject matters

Follow the progress of Science, Business Studies and Gaeilge [development groups](#).

[Introducing](#)

JCT

You'll never work alone once you tap into the Junior Cycle for Teachers ([JCT](#)) Support Service.

[Short courses](#)

Student voice

Has your school developed a short course? We would really like to hear about it from your students.

[Coming soon](#)

April issue

From April, we will be inviting you to 'have your say' on the Primary Language Curriculum.

[In the pipeline](#)

Junior cycle updates

Keep an eye on the junior cycle website for news about new key skills videos and consultation reports.
