

SENIOR CYCLE

**Next steps - beginning the
discussions**

Barry Slattery, Director NCCA

Key elements of the approach:

- Thematic consultation cycles
 - School-based review
 - National seminar series
- Generation of an overview report document
- Further public consultation
- Final advisory report

First consultative cycle

The Purpose of Senior Cycle and Futures thinking

- The purposes of senior cycle education
- Inclusion
- The needs of students form a senior cycle in the years to 2030

Second consultation cycle

Pathways and Flexibility

- The structure of senior cycle
- The educational programmes involved, the pathways available to all students
- Flexibility, autonomy, customisation

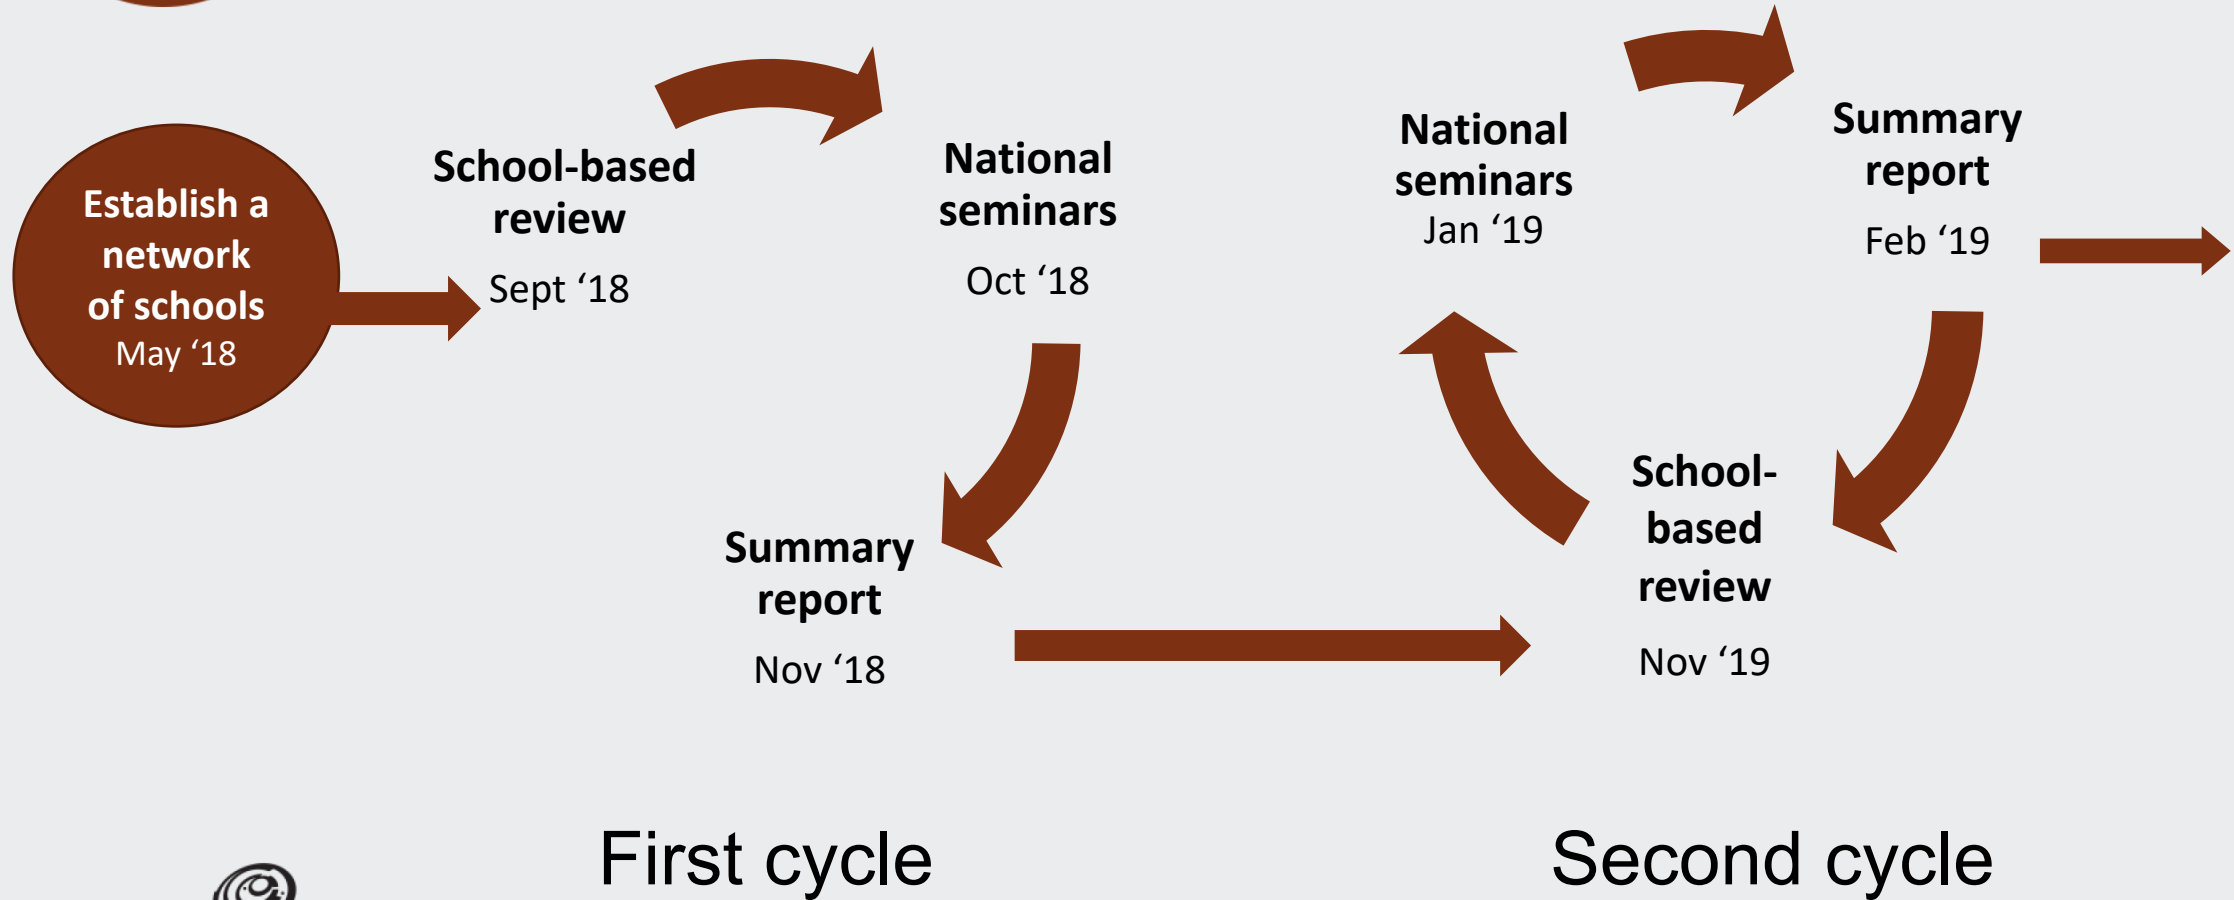

Schools at the hub of Senior Cycle Review

Establish a network of schools
May '18

Supports	Inputs from	Outputs
<ul style="list-style-type: none">• Designated NCCA Education Office• Research reports• Stimulus material• Surveys	<ul style="list-style-type: none">• Staff• Parents• Students	<ul style="list-style-type: none">• Complete surveys and interviews at the end of each cycle• Share and discuss findings at National Seminars
