

	Development Group Meeting 10 Monday 27th January 2025 Short Description
Agenda Item	Notes
Welcome by the Chair, minutes of the last meetings	The minutes of the last meeting were discussed and adopted.
Review of Rationale, Aims, Key Competencies, Teaching for student learning	Feedback was gathered and carefully considered to guide the ongoing refinement and improvement of these sections.
Exploring both AACs in Construction Studies	Feedback informed the development of both AACs, focusing on the descriptors of quality for both AACs. The following assessment weightings were agreed: AAC1 - Exploring the Constructed Environment - 30% AAC2 - Skills demonstration assessment - 20%.
Cross cutting themes/ Graphic for the overview of Strands	Group members agreed that the cross-cutting themes were already embedded throughout the learning outcomes, making it unnecessary to include them separately in the Strands of study structure. Further refinement of the graphic for the overview of the Strands will be undertaken.
Focus on differentiation in learning outcomes	A discussion was held on differentiation in the learning outcomes. Further exploration will take place in the next meeting.
Next steps and next meeting	Group members will consider the subject name in the next meeting. The chair reflected on the work accomplished and thanked the members for their attendance and contributions. Next meeting: 06th February 2025
