

Senior Cycle Construction Studies	Development Group Meeting 5 23 rd September 2024 Short Description
Agenda Item	Notes
Welcome by the Chair, minutes of the last meetings	The minutes of the last meeting were discussed and adopted.
Updates	The group was reminded that the Senior Cycle Redevelopment Programme Delivery Board is seeking a note from the development group with their suggestions regarding the assessment arrangements for the subject.
Feedback and the further development of draft learning outcomes- Strands 3 & 4	The group discussed the draft learning outcomes, focusing on the level of challenge, action verbs, and refining the language. They shared feedback through a working document and had an open discussion about improving the learning outcomes, including differentiating between higher and ordinary levels.
Feedback and the further development of draft learning outcomes- Strands 1 & 2	Some areas of learning focused on sustainability were redistributed across Strands. Consideration for all learning domains were also discussed, with members encouraged to provide further suggestions for improvement.
Student survey	The Techno Teachers Association presented the findings of a survey they conducted to gather students' opinions on the subject.
Assessment in Construction Studies	An open conversation took place regarding assessment in Construction Studies. Members were asked to submit their suggestions regarding assessment for discussion at our next meeting.
Next steps and next meeting	<p>The chair reflected on the work accomplished and thanked the members for their attendance and contributions.</p> <p>Next meeting: 2nd October 2024</p>
