

LC Agricultural Science	Development Group meeting #5: 13.01.25 Short description
Agenda item	Notes
Welcome	Previous minutes were proposed and seconded. No conflicts of interest declared.
Review of work so far	<p>The progress made by the Development Group on specification development over recent meetings was reviewed and an overview of the work yet to be completed was presented.</p> <p>Participation in the consultation on the <a href="#">Background Paper and Brief</a> was encouraged.</p>
Review of draft structure and organising concepts	The Development Group was presented with a draft structure reflecting discussions from the previous meeting. The Group worked in small groups to consider the draft structure. Feedback was recorded that will form the basis of a further draft.
Next steps and reflections	<p>The chair reflected on the work completed and thanked members for their attendance and contributions. NCCA executive will review the discussions and prepare draft materials for the next meeting.</p> <p>Next meeting: 11 February 2025</p>
