

Senior Cycle Design and Communication Graphics	Development Group Meeting 5 27 February 2025 Short Description
Agenda Item	Notes
Welcome by the Chair, minutes of the last meetings	The minutes of the last meeting were discussed and adopted.
Updates	The online consultation is ongoing, and members were asked to encourage teachers and other stakeholders to share their views on the Background Paper for DCG.
Feedback from the draft learning outcomes	Members reviewed the draft learning outcomes developed to date and considered further opportunities to refine language.
Further development of areas of learning	Group members identified additional areas where learning outcomes could be developed. The development group discussed various topics, including student and teacher workload, assessment, the role of design, and pedagogical approaches.
Next steps and next meeting	The chair reflected on the work done and thanked the members for their attendance and contributions. Next Meeting: 24 March 2025
